

MINUTES OF A MEETING OF THE PLANNING AND DEVELOPMENT COMMITTEE OF KINVER PARISH COUNCIL HELD ON 28th AUGUST 2019 AT 95 HIGH STREET, KINVER.

Present: Councillors: Mrs C Allen (Chairman), Miss V Webb, G Sisley, P Wooddisse, S Anderson.

1. APOLOGIES FOR ABSENCE

Apologies were received from Cllrs H Rogers, Mrs M Rogers JK Hall (Vice Chairman) and E Simons due to other commitments.

2. DECLARATIONS OF PECUNIARY INTEREST

None were declared.

3. MINUTES OF THE PREVIOUS MEETING

The minutes of the meeting held on 24TH July 2019 were approved and signed as a true record of the proceedings of that meeting.

4. MATTERS ARISING FROM PREVIOUS MINUTES

It was noted that work to the Burgesses will be starting in October. The site has had to be secured with the windows and doors being boarded up due to anti social behaviour.

5. PLANNING APPLICATIONS

19/00536/FUL 57 Redwood Road, Kinver
Proposed rear and side extensions to form additional bedroom and larger kitchen / living space

Recommend Approval

19/00541/OUT Land at Astles Rock, Kinver
Delivery of a single detached over 55's dwelling

Astles Rock Walk is a private drive to a few houses. The road has been maintained and in recent years tarmacked and paid for by the current residence. The land in question we believe has no claim to any rights to use the road and has no links to the existing drains or services in the private road.

If planning permission were to be granted, the owner of the land would no doubt use Astles Rock Walk to gain access to the nearest mains services and sewers.

The site is a garden, which we understand, has never been built on. Permission to change the use of the land would also be required.

Our comments regarding the supporting statement to the development;-

3.4 The site is on a considerable slope which rises very steeply. It is a narrow strip of land where the owner has destroyed a hedge to gain access to the site. It will be highly visible and detrimental to the landscape, neighbouring properties and street scene as the proposed property will be raised up above the properties on Comber Road. The existing houses in Astles Rock Walk are not visible from Comber Road as they are hidden by mature trees.

3.5 Access – It is inconceivable to have no parking facility at the proposed property. Visitors to the site will need somewhere to park, as will emergency vehicles. The term 'Over 55's' does not mean they will not be working. The current retirement age is 67 and that may well be increased. The likely hood of the new owners not having a car is probably about 1%.

The application does not consider how the person(s) living at the property would carry all their shopping from the village or bus stop to the property. It would certainly take a lot longer to walk than the 11 minutes claimed. Comber Road is often busy with visitors driving up to Kinver Edge. There are already an excess of cars parked along Comber Road from the Edge View home up the road. There is no room for permanent extra car(s) to assume to park on Comber road, either for the owner or visitors to the new property. The shopping would still need to be carried up a relatively steep hill to the property. It is not realistic or even practical to consider an older person carrying their weekly shop so far.

The road is very narrow. There would be no pull in area. Referral to highways should be made.

Kinver is not in need of more over 55's dwellings as 2 large complexes are to be built in coming years for this age group, within Kinver village. There is already a McCarthy stone development in the village and two more large developments with mixed housing have been allotted in Potters Cross.

The application being only out line planning permission, gives us no indication of size or mass to, meaning they could build almost anything they like.

Disruption to the residence of Astles Rock Walk would be immense as there is no where for the building materials and site office to be placed during the building process. Plus the road would be blocked whilst deliveries are made and services connected. This would also endanger walkers on the road, as it is a public footpath.

Recommend Refusal on the grounds of the previous appeal refusal reasons as detailed below:-

The Planning application submitted on the 19th February 2015 (14/00831/OUT) is for the development of a single dwelling for which the current proposal is a variant of. Within the decision notice for this previous application the reasons for refusal state that:-

- 1) The proposed development will result in the likelihood of highway danger to road users owing to vehicles wanting on the public highway as a result of the access being geometrically inadequate to reasonably accommodate passing vehicles.
- 2) The proposed development will result in an increased number of extraneous vehicles using a shared surface road which would be likely to adversely affect the safe unencumbered movement of pedestrians and as a consequence would increase the likelihood of pedestrians / vehicle conflict resulting in Highway danger.
- 3) The traffic generated by the proposed development would be likely to result in an increase in highway danger owing to increased use of existing access which affords restricted visibility for drivers emerging access.
- 4) The site is restricted in size and the proposed development would be cramped in appearance and out of character with the neighbourhood contrary to policy EQ11 of the adopted core strategy.

All previous applications for this site have been refused. We see no reason for that to change.

19/00545/FUL

Recommend Approval

19/00620/OUT

The Glens. Sugarloaf Lane, Iwerley

Outline planning permission for a single dwelling with garage

Recommend Approval subject to complying with Greenbelt regulations and there being no agricultural tie on the land to prevent any further development.

19/00628/FUL

Ye Olde White Harte, 111 High Street, Kinver

Erection of 6 No 2 bedroom apartments and associated parking / landscaping

The application should comply with Conservation regulations and the materials used in the build to be compliant with a Conservation area. In addition it was noted that property No 2 of the Acre, is only approx 5m from the boundary of the proposed site on the application, where this property would be looking at a 2 ½ story side elevation of a building. This would reduce light to the property and we believe that the development does not comply with the space from neighbouring properties which is 13m from the side and 21 m from the front and back.

We may support one of the alternate layouts as detailed in the planning application.

It was noted that letters to the adjoining properties had not been sent out and neighbours were unaware of this development. Councillor BR Edwards reported that he had ensured letters were sent out now.

19/00500/FUL Barratts Coppice Farmhouse, Bridgnorth Road, Stourton
